

Release & Disclosure Form

I acknowledge that I am voluntarily attending and participating in the **EFT Master Workshop**. I am aware that **the Workshop will be videoed** and that the videos may be edited and marketed for sell to the EFT community. By participating as a demonstration subject or by asking a question at the showcase I am agreeing to the use of the video for marketing.

EFT (Emotional Freedom Techniques) is a member of a new class of treatment techniques and protocols referred to as Energy Therapy. While still considered experimental, these techniques are being used by therapists, nurses, physicians, psychiatrists and lay people worldwide. While there are theories as to how they work, why they work, and why they sometimes don't work, there is no accepted scientific explanation. As a result of their experimental nature, no EFT practitioner knows with certainty in advance how someone can be helped or if the techniques will help a particular person with a particular problem.

I agree to accept full responsibility for my emotional and physical health. I assume and accept the risk of any adverse outcome that might result from attending the showcase or from using the techniques used at the showcase. I recognize that the EFT Masters do not recommend that I, or any person with whom I may use the techniques, stop using any prescribed medicine or other therapy that I or he/she may be using, without consulting my or his/her doctor, even if the techniques appear to indicate that such medicine or therapy is unnecessary. To date, EFT has yielded exceptional results, however, these techniques are NOT meant to replace appropriate medical treatment or mental health counseling.

I fully release Gary Craig, founder, Ann Adams, the EFT Masters and any other persons who work with or assists them in the showcase from any and all claims and causes of action that I presently have or may have in the future relating to my participation in this event.

I represent that neither Ann Adams nor any EFT Master will have any liability to me for any damage to my emotional or physical health arising in any way whatsoever out of my attendance at the showcase or my use of these techniques. [Note: If you use these techniques on yourself or others, you must agree to take full responsibility for your own well-being and you are required to advise your clients to do the same.]

Disclosure - None of the EFT Masters are licensed physicians.

I certify that I have read and understand the above release and disclosure statements and am aware the event will be videoed in its entirety.
